Welcome to the Mountain Arts Association!

Please allow us to take just a moment to introduce you to the Mountain Arts Association (MAA) and invite you to consider becoming a member. Established in 2003 by a group of local artists and townspeople interested in the arts within our community, our mission is to create and support a community-wide hub for the furtherance of art related exhibitions, educational events and appreciation, in the mountain communities of North Georgia and Western North Carolina.. Since we are a non-profit organization, we gratefully rely on membership dues, federal, state and local grants and contributions from local businesses to support this important program. By joining MAA, you, too, will have the satisfaction of knowing that you are contributing to this worthwhile effort.

With your annual membership (January 1 – December 31) you will receive information about and invitations to special art events hosted by MAA. This includes our Artist Lecture Series, the Children’s Workshops and our acclaimed Hiawassee Festival of Arts.

We invite you to choose your level of membership:
